

Announcement of Gokin Solar Prohibition of Sales Through

Unauthorized Channels

Dear Partners and Consumers,

Gokin Solar has always been committed to providing high-quality products and services to our partners and consumers. However, in recent years, some unauthorized channels have emerged, leading to the appearance of counterfeit products and services. These unauthorized channels not only damage the brand image of Gokin Solar but also affect the quality of products and services provided to consumers. To maintain a fair and orderly market environment, Gokin Solar Co., Ltd. hereby issues the following statement:

Channels

I. Exclusivity of Authorized Channels

Gokin Solar products are sold through official channels, including authorized distributors, and authorized EPC partners. We have signed exclusive agreements with these authorized channels to ensure the quality and safety of our products and services. Any products or services sold through unauthorized channels are not guaranteed by Gokin Solar and may be counterfeit or inferior quality. We hereby warn consumers to be cautious when purchasing Gokin Solar products and services through unauthorized channels.

Authorized channels include:

- 1. Official Website: <https://www.gokinsolar.com>
- 2. Email: gk@gokinsolar.com

Risk Warnings

1. **Abnormal Price Rise and Fluctuation**
Products offered through unauthorized channels are sold at significantly lower market prices, which may lead to abnormal price fluctuations and affect the stability of the market.

2. **Product Origin and Infringement**
Products sold through unauthorized channels have unknown origins and are highly likely to involve counterfeit products, inferior components, or illegal trademark infringement.

3. **Warranty, After-sales Service and Safety Exemption**
In accordance with Gokin Solar's quality assurance policy, products purchased through unauthorized channels are not eligible for warranty, after-sales service, or safety exemption.
